Charles Dugger, MPA

*Sr Emergency Service
Project Manager*

Atkins Emergency
Services Group

Charles provides project management for the Atkins Emergency Services group.

- His team has supported various clients in their emergency response, recovery, and mitigation work from flooding events to pandemics.
- Manages clients nationally and has active work in FL, NC, ME, SC, GA, TX, & PR, where he supports ongoing emergency response, recovery, mitigation and planning services.
- Has worked in state and federal agencies providing overall local, state and federal program deliveries specific to state and federal grants from FEMA, State disaster relief funds, National Resources Conservation Service, HUD grants and private and public partnership projects.
- Has presented numerous local, state, and federal kickoff meetings and presented to multiple agencies and communities on how to maximize federal funding.
- Has supported rural communities, public hospitals and K-12 & higher Ed, state agencies, and large municipalities in responding to, recovering from, and mitigating against disasters and pandemics.

Meet Our Panelists

**Lawrence Fitzgerald, PG,
BPATS, CPTED, PSP, CPP**

*Director- Security &
Emergency Management
Services*

TRC

Larry Fitzgerald manages the Security and Emergency Preparedness group for TRC.

- His team has helped numerous clients address declared disasters from storms, terrorist attacks and now pandemics.
- Manages clients in CA, MI, MO, ME and IL, and has active work with the County of San Bernardino, the Lewiston School Department and an ongoing Pandemic project with the State of Maine.
- Has presented security and emergency management topics at numerous conferences including several specific to education
- Has written articles on topics such as “Active Shooter”, employer liability for failure to provide a safe workplace, and chemical security and others.
- Has worked for education clients including K-12 and Higher Ed.

Agenda

- What are the specific requirements to receive reimbursement from FEMA for Public Assistance?
- Has FEMA Funded schools in the past with other disasters?
- What is the timeframe to incur additional costs that can be submitted to FEMA?
- Explain some of the differences between CARES Act and FEMA PA funding
- Audience Q&A

Additional Resources

- FEMA Public Assistance Simplified Application: <https://www.fema.gov/fact-sheet/public-assistance-simplified-application>
